

Marjorie Kinney ~ Artist of Colorful Getaways~

Marjorie Kinney is a “plein air impressionist”, as the French say. We say, “an outdoor artist.” The full palette of oil colors transcend her joyful spirit and the “I want to be there” response of the viewers. Her favorite subjects include coastal landscapes, beach cottages, California’s Central Coast, the Sierras, flowers and contemporary abstraction. She makes jewelry...her featured line is RockStar Stones: Mineral and Gem Jewelry.
